## ATTENTION OWNERS/EXHIBITORS OF FOREIGN REGISTERED DOGS

If you are the owner/exhibitor of a dog registered with a foreign registry (not yet dual registered with AKC) please review the eligibility requirements in The Rules Applying to Dog Shows, chapter 11 section 1.

The dog show rules are posted on the AKC Web site at: <http://images.akc.org/pdf/rulebooks/RREGS3.pdf>

Most important to note are the following:

1. Dogs must be individually registered with the American Kennel Club by the day of the event to be eligible for exhibit in the Bred by Exhibitor class.
2. Dogs are eligible to compete in AKC events using the foreign registration for a period of 30 days. That 30-day period begins with the date of first exhibit, *regardless of whether the dog earned any points or awards*. To continue to compete in AKC events beyond the initial 30-day period the dog must be either individually AKC registered or by the date of the event have been granted an extension to exhibit using the foreign registration. The owner or agent can request an extension using the form found on the AKC Web site at: <http://images.akc.org/pdf/extenap.pdf>

If you have questions or need assistance with registration or obtaining an extension, please contact the AKC Special Services Department at: [awards@akc.org](mailto:awards@akc.org) or (919) 233-9767 (followed by selecting option 4).

**NOTE: MB-F, Inc. accepts entries for AKC events in accordance with the latest Agreement, entry form instructions and Rules Applying to Dog Shows (rules) of the American Kennel Club. From time to time these are subject to change. In the event of a discrepancy in these entry form instructions, Agreement and rules versus the text within the entry form you sign and submit, the AKC Agreement, entry form instructions and rules in effect at the time these entries close will take precedence.**
